

## Lesson 7 - Recap

Get Free by Taking 100 Percent Responsibility

- How responsible are you for what happens in your life? Until you realize this basic fact of complete responsibility, you will never get entirely free.
- Take personal responsibility for the things you can control.
- Unless you want to be part of a culture of dependency, then you have to take responsibility for your what's happening in your life— good, bad, or indifferent.
- Anytime you're unappreciative or feeling like you got a bad break, go back 200 years.
- Every day is a bonus, so live that way. If you've never served in the military, then looking to our men and women in uniform as well as our brave veterans from past wars should fill your breast with gratitude for ensuring our freedoms.
